Only you will be able to see your student's digital records with your unique login and password. Other parents or guardians will be provided their own unique login and password to access digital information for their students. Therefore, your login and password should not be shared with anyone. A photo ID may be requested for verification.

HISD will not make your username/password publicly available. The web based digital records for your student can only be accessed by a current parent or guardian who currently has access to the student's written school records and has applied for a valid username and password. You may cancel this service at any time by contacting the campus registrar/secretary. Once your application is approved, you will receive an email with login information and instructions.
